The Secretary to Government of Mysore,
Development Department,
B A N G A L O R E.

Dear Sir,

I am directed to state that Sri M.K. Narasimhan, General Manager has been granted privilege leave from 4th March 1950 up-to and inclusive of 29th April 1950 with permission to utilise Sunday the 30th April 1950. As the period is sufficiently long, Sri D.V. Krishna Rao, Works Manager, Developments, next in seniority has been posted to act as General Manager during the period with acting allowance of 1/5th of the pay of the General Manager (namely Rs.800/-) not exceeding the minimum of the said appointment excluding the Construction Allowance.

As per letter No.B.572 dated 25th March 1950 submitted to Government, since Sri D.V. Krishna Rao has been relieved of his routine duties of the Open Hearth and Brick Plant, Sri B. Sheshadri Sharma, Superintendent of Construction is placed in additional charge of Developments, Sri H.S. Sastri, Superintendent, Electric Furnace & Steel Foundry in additional charge of the Electric Furnace & Steel Foundry and II Machine Shop and Sri T. Krishnappa, Probationary Metallurgist, in-charge of the Ferro Alloy Plant at Mysore each of them being paid 1/10th of their pay as allowance for the additional work devolved on them during the above leave period of

Sri M.K. Narasimhan.

I request sanction of Government to the payment of acting allowance at 1/5th of the pay of General Manager not exceeding the minimum of the said appointment (excluding the Construction Allowance) to Sri D.V. Krishna Rao and also to the grant of 1/10 of their pay as allowances to Sriyuts B. Sheshadri Sharma, H.S. Sastri and T. Krishnappa who are placed in-charge of the current duties in addition to their own.

Yours faithfully,

Secretary,

The Secretary to Government of Mysore,
Development Department,
Public Offices,
BANGALORE.

Dear Sir,

Subject: Relief to Sri D.V. Krishna Rao, Works Manager, Developments.

Sri D.V. Krishna Rao, Works Manager, Developments is now in-charge of operation Departments, viz., Open Hearth, Brick Plant, Electric Furnace & Steel Foundry and Ferro Alloy Plant at Mysore, in addition to Development work. The Development Schemes, viz., Ferro Silicon Plant and Electric Pig Iron Furnace Scheme which are under execution have now reached a stage where they require his close attention to complete them and bring them to operation in scheduled time. In addition to the above, he has also to pay immediate attention to other Development Schemes, viz., Bessemer Duplex Plant and Billet & Light Structural Mill in respect of which detailed proposals have to be worked out and further action has to be taken expeditiously. Though the manufacture of special steels - Tool & Alloy Steels and installation of Wire & Wire Product Mill - which are likely to yield a good margin of profit have been postponed for consideration next year, several preliminaries have still to be followed up to keep the proposals up-to-date so that they may be taken up readily without loss of time when needed. The manufacture

of Ferro-chrome and Calcium Carbide in the Furnaces that will be released in Mysore though not proposed to be followed as a capital programme has to be taken up as operational item immediately ferro-silicon manufacture is discontinued in Mysore as otherwise the Plant will get out of order. This Officer has also been latterly representing that he has been over-burdened with work and could not attend to many items promptly. Under the circumstances, I am directed to report that arrangements have been made to give some relief to Sri D.V. Krishna Rao from his routine duties of normal charge of production Sections to enable him to attend more promptly to the above Development programme by transferring the Open Hearth and Brick Plant Sections to the charge of Sri Krishnappa, Probationary Metallurgist who secured recently M.Met., of Sheffield University and who has been having training in the Works for the last eight months as it was felt that such direct responsibility would be beneficial in the interest of the Probationer and the Works will have made use of his services usefully. He will attend to the above work as part of his present duties and will not be given any extra remuneration on this account.

Yours faithfully,

Secretary,
Board of Management.
